### Certificate Course in "DOMESTIC VIOLENCE AGAINST WOMEN IN INDIA" (Year 2021-2022)

#### About the course:

Domestic violence against women is a pervasive and deeply rooted human rights issue with significant social, economic, and health implications. It provides a comprehensive literature on domestic violence against women, examining its prevalence, risk factors, consequences, and interventions. It explores the complex dynamics of domestic violence and highlights the multifaceted nature of this phenomenon. Additionally, it critically evaluates the effectiveness of various interventions, including legal reforms, support services, community-based initiatives, and prevention programs, and also to combat domestic violence and promote the safety, autonomy, and well-being of women worldwide.

#### Objectives: After the completion of the certificate course, students will be able to:

1. Understanding the Prevalence and Patterns of Domestic Violence
2. To know the Risk Factors and Protective Factors
3. To understanding Consequences of Domestic Violence
4. To know the Legal and Policy Responses
5. Understanding Support Services and Interventions
