STU DENT'S FEEDBACK ON TEACHERS

1.FEEDBACK COLLECTED

The college has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students. . This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses and workload manageable. The framed Syllabus was socially relevant, employability , revised time to time and help students to be a responsible citizen of the nation. The Google Form was also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counselling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process):This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student involvement in learning.

Student feedback on Teachers, 2022-23

Good awareness about NET,JAM, etc examinations must be provided to students at BSc level. Students should be encouraged to take up such examinations by providing coaching letting them know about its scope. Also, the career guidance is the most important needful thing to be done as many students will not be aware of the emerging domains of the career.

2022-2023

1.4.1 Action taken report of the Institution on feedback report

The institution has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students through online. This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses. The framed Syllabus was socially relevant, employability, revised time to time and helps students to be a responsible citizen of the nation. The Google Form also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counseling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process): This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student's involvement in learning.

Sl.No	QUESTIONS RAISED	ACTION TAKEN
01	***Student's Feedback on Curriculum* -**online Q. Syllabus is useful to prepare for screening examination and interviews for higher studies **4.6%** Students have raised the above matter for justification	**Action taken:** The syllabus framed for the undergraduate is as per the UGC guidelines which strengthen the basic knowledge of undergraduates. During the course the undergraduates will have great opportunity to learn and strengthen the basics of pure science, which enables them to pursue their higher studies with good skills and also can be placed various institutions and other organizations.
02	***Feedback from Alumni on College 2022-23.*-online** The college appeal Alumni to provide their sincere feedback on Admission process, College Development etc.,	**Action taken:** Most of the alumni's have given fair feedback based on the above category. Based on the feedback submitted it is clear that alumnus are of the opinion that institution should pay attention to training and placements of students and also the improvement in the facilities available in the hostels. Hence principal has assured all the alumnis that in near

And also approaching more number of companies for campus selection and placements. Principal has taken steps to execute the same and accordingly it is implemented for better accommodation in hostel and also for the recruitments of students in campus drive selection.
03	***Feedback from Staff members*** Q a) Facilities like Teacher's sitting room, reading room, canteen, drinking water, health center, Bank, Internet/WiFi facility, Research, Laboratory etc. **5.4%** staff members have raised the above matter for implementation. b) Support from office staff **3.6%** staff members have raised the above matter for implementation. c) Attention to Faculty member's grievances **3.6%** staff members have raised the above matter for implementation.	**Action taken:** Perhaps the feedback pertaining internet (Wi-Fi) facilities in all the classrooms students are of the opinion that all the classrooms should be with adequate internet connection (Wi-Fi) so as to enable them for browsing internet for their study purpose. Every department of the college is facilitated with wi-fi. **Action taken:** The feedback about the office is brought to the notice of the office members and the Principal has asked everyone in the office to pay attention to the faculty members of the college and work for the welfare of the college and it is implemented successfully.
04	***Feedback of Alumni on*** ***a. Canteen feedback*** **6.8%** Parents have given the above matter for improvement of canteen facilities. *b.* Hostel Facilities **6.8%** Parents have given the above matter for improvement of facilities in the hostel.	**Action taken:** The head of the institute has taken appropriate action on the feedback of the canteen. It is been informed to the canteen authorities on the student's feedback about the food and hygiene of the canteen. The head has asked to take the required steps for the improvement of canteen ambient. The improvement and the requirement of improvement of the canteen is brought in the notice of the university by the principal of the College. And there was a positive response from the university. **Action taken:** The principal has discussed the feedback with the respective wardens of the hostels. The principal has asked the wardens to visit the hostel on daily bases and take a look in to the housekeeping work, office and food facility in the hostel. All necessary actions are taken for the improvement of the hostel. The optimum cares for the sanitization of the Hostels were taken before the students entered the hostels.

STUDENT'S FEEDBACK ON TEACHERS

The college has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students. . This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses and workload manageable. The framed Syllabus was socially relevant, employability , revised time to time and help students to be a responsible citizen of the nation. The Google Form was also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counselling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process):This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student involvement in learning.

Academic Year 2021-22

ACTION TAKEN REPORT OF THE INSTITUTION ON FEEDBACK REPORT

The college has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students through online. This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses and workload manageable. The framed Syllabus was socially relevant, employability, revised time to time and helps students to be a responsible citizen of the nation. The Google Form was also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counseling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process): This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student involvement in learning.

Sl.No	QUESTIONS RAISED	ACTION TAKEN
01	**Student's Feedback On Teachers -online** Teacher's communication with students… **21%** students have raised the above matter for justification	**Action taken:** In comparison with the feedback pertaining to Teacher's communication with students and Teachers special attention to slow learners, since students are of the opinion that teachers have to improve the communication with students with special emphasizes on slow learners, principal has strictly instructed all the teachers to pay the attention to this matter to improve the slow learners and also to have good communication skills with students. Principal has also advised all the teachers to educate the students as per their requirements and extra care for preparation of their examination and also for preparing them to undertake civil service examinations. The said matter is implemented by all the teachers as per the principals instructions

02	**Student's Feedbach On Curriculum-Online** Q. The syllabus helps to develop necessary personality development… **11%** Students have raised the above matter for justification	Most of the students have given fare feedback based on the above matter. In comparison with above the feedback pertaining The syllabus helps to develop necessary personality development some of students felt that the framed syllabus is not up to the mark for necessary personality development hence principal has made a note on this to present the same in to BOS meeting for framing suitable syllabus. And as per the principals remarks BOS members have taken the steps and implemented the same in the syllabus.
03	***Feedback from the Student's on College Infrastructure 2021-22*** Parameters Considered for Feedback from the Student's on College Infrastructure 2021-22 **Q.** Internet facility (Wi-Fi) available in the class rooms… **56%** Students have appealed to have the wifi connection in all the class rooms.	Most of the students have given fare feedback based on the above category. Based on the feedback submitted it is clear that students are very happy with the available infrastructure. Perhaps the feedback pertaining internet (wifi) facilities in all the classrooms students are of the opinion that all the classrooms should be with adequate internet connection (WiFi) so as to enable them for browsing internet for their study purpose. Students also felt that Gym facilities should be maintained well in the campus. Hence principal has assured all the students that in near future all the class rooms with internet facility (WiFi) and he also assured to access Gym facility in the campus. And as per the principals note on this matter, WiFi connection has been given to all the classrooms in the college and it is implemented succesfully.
04	***Feedback from Parents on Institution 2021-22 –online*** **Q.** Is your children happy with the hostel facilities? **19%** Parents have given the above matter for improvement of facilities in the hostel	Most of the parents have given fare feedback based on the above category. Based on the feedback submitted it is clear that parents anticipated that to have more hostel accommodation to students in the campus. And they also expressed that more hygienic facilities are to be given in the hostel. Hence principal has assured all the parents that in near future to have two more hostels in the campus with all the facilities for comfortable stay of students. Accordingly steps have been taken for consideration to improve the hostel facilities in the campus and it is implemented.

05	**Feedback from Alumni on College 2021-22.- online** The college appeal Alumni to provide their sincere feedback on Admission process, College Development etc., **Q.** Training, Placement and hostel accommodation… **2%** alumni have raised the above matter for implementation.	Most of the alumni's have given fair feedback based on the above category. Based on the feedback submitted it is clear that alumnus are of the opinion that institution should pay attention to training and placements of students and also the improvement in the facilities available in the hostels. Hence principal has assured all the alumnis that in near future to have two more hostels in the campus with all the facilities for comfortable stay of students. And also approaching more number of companies for campus selection and placements. Principal has taken steps to execute the same and accordingly it is implemented for better accommodation in hostel and also for the recruitments of students in campus drive selection.

INTERNAL QUALITY ASSURANCE CELL

Academic Year 2020-21

ACTION TAKEN REPORT OF THE INSTITUTION ON FEEDBACK REPORT

The institution has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students through online. This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses. The framed Syllabus was socially relevant, employability, revised time to time and helps students to be a responsible citizen of the nation. The Google Form also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counseling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process): This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student's involvement in learning.

Sl.No	QUESTIONS RAISED	ACTION TAKEN
01	***Student's Feedback On Teachers -*** **online** a. Teacher's pay special attention to slow learners **8.49%** students have raised the above matter for justification	In comparison with the feedback pertaining to Teacher's communication with students and Teachers special attention to slow learners, since students are of the opinion that teachers have to improve the communication with students with special emphasizes on slow learners, principal has strictly instructed all the teachers to pay the attention to this matter to improve the slow learners and also to have good communication skills with students. Principal has also advised all the teachers to educate the students as per their requirements and extra care for preparation of their examination and also for preparing them to undertake civil service examinations. Teachers identify slow learners in classrooms and also in laboratories while they are performing experiments. Such students are asked to repeat experiments by themselves in free time in teacher's supervision. The said matter is implemented by all the teachers as per the principals instructions

02	***Student's Feedback On Curriculum*-online** Q. a. Syllabus is useful to prepare for screening examination and interviews for higher studies **22.22%** Students have raised the above matter for justification b. Syllabus helps to develop necessary personality development. **22.22%** Students have raised the above matter for justification	The syllabus framed for the undergraduate is as per the UGC guidelines which strengthen the basic knowledge of undergraduates. During the course the undergraduates will have great opportunity to learn and strengthen the basics of pure science, which enables them to pursue their higher studies with good skills and also can be placed various institutions and other organizations.
03	***Feedback from the Student's on College Infrastructure 2020-21 Parameters Considered for Feedback from the Student's on College Infrastructure 2020-21*** **Q.**Internet facility (Wi-Fi) available in the class rooms… **25%** Students have appealed to have the wifi connection in all the class rooms.	Most of the students have given fare feedback based on the above category. Based on the feedback submitted it is clear that students are very happy with the available infrastructure. Perhaps the feedback pertaining internet (wifi) facilities in all the classrooms students are of the opinion that all the classrooms should be with adequate internet connection (WiFi) so as to enable them for browsing internet for their study purpose. Students also felt that Gym facilities should be maintained well in the campus. Hence principal has assured all the students that in near future all the class rooms with internet facility (WiFi) and he also assured to access Gym facility in the campus. And as per the principals note on this matter, WiFi connection has been given to all the classrooms in the college and it is implemented successfully.
04	***Feedback from Parents on Institution 2020-21* –online** **Q.** Is your children happy with the hostel facilities? **12.90%** Parents have given the above matter for improvement of facilities in the hostel	Action taken: The principal has discussed the feedback with the respective wardens of the hostels. The principal has asked the wardens to visit the hostel on daily bases and take a look in to the housekeeping work, office and food facility in the hostel. All necessary actions are taken for the improvement of the hostel. The optimum care for the sanitization of the Hostels were taken before the students entered the hostels. The head of the institute has asked the wardens of all the hostels to take special care and proper attention to the hostel in the situation of Corona pandemic. It is ordered to do sanitization time to time. Proper attention is given to the hostel by the college. The institute tries to resolve the hostel problems time to time and try the best to give the students the best ambient for their overall growth. The wardens respond to the hosteller's grievance and take the action timely.

INTERNAL QUALITY ASSURANCE CELL

Academic Year 2019-20

ACTION TAKEN REPORT OF THE INSTITUTION ON FEEDBACK REPORT

The institution has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students through online. This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses. The framed Syllabus was socially relevant, employability, revised time to time and helps students to be a responsible citizen of the nation. The Google Form also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counseling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process): This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student's involvement in learning.

Sl.No	QUESTIONS RAISED	ACTION TAKEN
01	***Student's Feedback On Teachers -Online*** a. Teacher's communication with students… **7.01%** students have raised the above matter for justification. b. Teacher pays special attention to slow learners as well **10.65%** students have raised the above matter.	In comparison with the feedback pertaining to Teacher's communication with students and Teachers special attention to slow learners, since students are of the opinion that teachers have to improve the communication with students with special emphasizes on slow learners, principal has strictly instructed all the teachers to pay the attention to this matter to improve the slow learners and also to have good communication skills with students. Principal has also advised all the teachers to educate the students as per their requirements and extra care for preparation of their examination and also for preparing them to undertake civil service examinations. The said matter is implemented by all the teachers as per the principals instructions

02	***Student's Feedback On Curriculum-Online*** Q. a. Present syllabi are skill and placement based? **16.10%** Students have raised the above matter for justification b. Syllabus is useful to develop necessary skills and knowledge to take up employment in industry / Self employment? **11%** Students have raised the above matter for justification	The syllabus framed for the undergraduate is as per the UGC guidelines which strengthen the basic knowledge of undergraduates. During the course the undergraduates will have great opportunity to learn and strengthen the basics of pure science, which enables them to pursue their higher studies with good skills and also can be placed various institutions and other organizations.
03	***Feedback from the Student's on College Infrastructure 2019-20*** Parameters Considered for Feedback from the Student's on College Infrastructure 2019-20 **Q.** Internet facility (Wi-Fi) available in the class rooms… **58.65%** Students have appealed to have the Wi-Fi connection in all the class rooms.	Most of the students have given fare feedback based on the above category. Based on the feedback submitted it is clear that students are very happy with the available infrastructure. Perhaps the feedback pertaining internet (Wi-Fi) facilities in all the classrooms students are of the opinion that all the classrooms should be with adequate internet connection (Wi-Fi) so as to enable them for browsing internet for their study purpose. Students also felt that Gym facilities should be maintained well in the campus. Hence principal has assured all the students that in near future all the class rooms with internet facility (WiFi) and he also assured to access Gym facility in the campus. And as per the principals note on this matter, WiFi connection has been given to all the classrooms in the college and it is implemented succesfully.
04	***Feedback from Parents on Institution 2019-20 –online*** **Q.** Is your children happy with the hostel facilities? **6.8%** Parents have given the above matter for improvement of facilities in the hostel	Proper attention is given to the hostel by the college. The institute tries to resolve the hostel problems time to time and try the best to give the students the best ambient for their overall growth. The wardens respond to the hosteller's grievance and take the action timely.
05	***Feedback from Alumni on College 2019-20.-online*** The college appeal Alumni to provide their sincere feedback on Admission process, College Development etc., **Q.** Training, Placement and hostel accommodation… **2%** alumni have raised the above matter for implementation.	Most of the alumni's have given fare feedback based on the above category. Based on the feedback submitted it is clear that alumnus are of the opinion that institution should pay attention to training and placements of students and also the improvement in the facilities available in the hostels. Hence principal has assured all the alumnis that in near future to have two more hostels in the campus with all the facilities for comfortable stay of students. And also approaching more number of companies for campus selection and placements. Principal has taken steps to execute the

		same and accordingly it is implemented for better accommodation in hostel and also for the recruitments of students in campus drive selection.
06	***Feedback from Staff members*** ***Q.*** Is your child given enough exposure as far as career orientation is concerned?	In order to give the best exposure for a career orientation, under the banner of "Science Association" and the study circles of different departments of the college, the college invites renowned personalities from various fields, who share their experience and knowledge with the students. They give the insight of different opportunities in their fields and motivate the students to pursue their career in various fields.
07.	***Feedback of Alumni on*** ***a. Canteen feedback*** 6.8% Parents have given the above matter for improvement of canteen facilities. *b.* Hostel Facilities **6.8%** Parents have given the above matter for improvement of facilities in the hostel.	a. Action taken: The head of the institute has taken appropriate action on the feedback of the canteen. It is been informed to the canteen authorities on the student's feedback about the food and hygiene of the canteen. The head has asked to take the required steps for the improvement of canteen ambient. The improvement and the requirement of improvement of the canteen is brought in the notice of the university by the principal of the College. And there was a positive response from the university. b. Action taken: The principal has discussed the feedback with the respective wardens of the hostels. The principal has asked the wardens to visit the hostel on daily bases and take a look in to the housekeeping work, office and food facility in the hostel. All necessary actions are taken for the improvement of the hostel. The optimum care for the sanitization of the Hostels were taken before the students entered the hostels.

ACTION TAKEN REPORT OF THE INSTITUTION ON FEEDBACK REPORT

The institution has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students through online. This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criterions like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each courses. The framed Syllabus was socially relevant, employability, revised time to time and helps students to be a responsible citizen of the nation. The Google Form also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counseling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process): This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student's involvement in learning.
