Volunteers are taking oath on the occasion of constitution day.

- The youth of our country play an important role in nation building. It is the institution's responsibility to show the importance of health and to keep them away from any sort of bad habits. On the eve of anti-tobacco chewing day, the college arranged a special awareness speech by Shri. B.R.Patrot from the Government Health department, Dharwad. On this day, students have taken an oath not to practice tobacco chewing during their life.

Anti-tobacco day program, and the students taking an oath on this occasion.

- It is also very important to make our youths to respect all religions and to practice humanity is the most important virtue. Hence, on the eve of anti-terrorism day, Dr. Smt. R.D.Sanakal, HOD of Zoology addressed the students, illuminating them as to how mankind is suffering from global terrorist activities. Students have voluntarily taken an oath to oppose every form of terrorism, and to save people from terrorist activities.

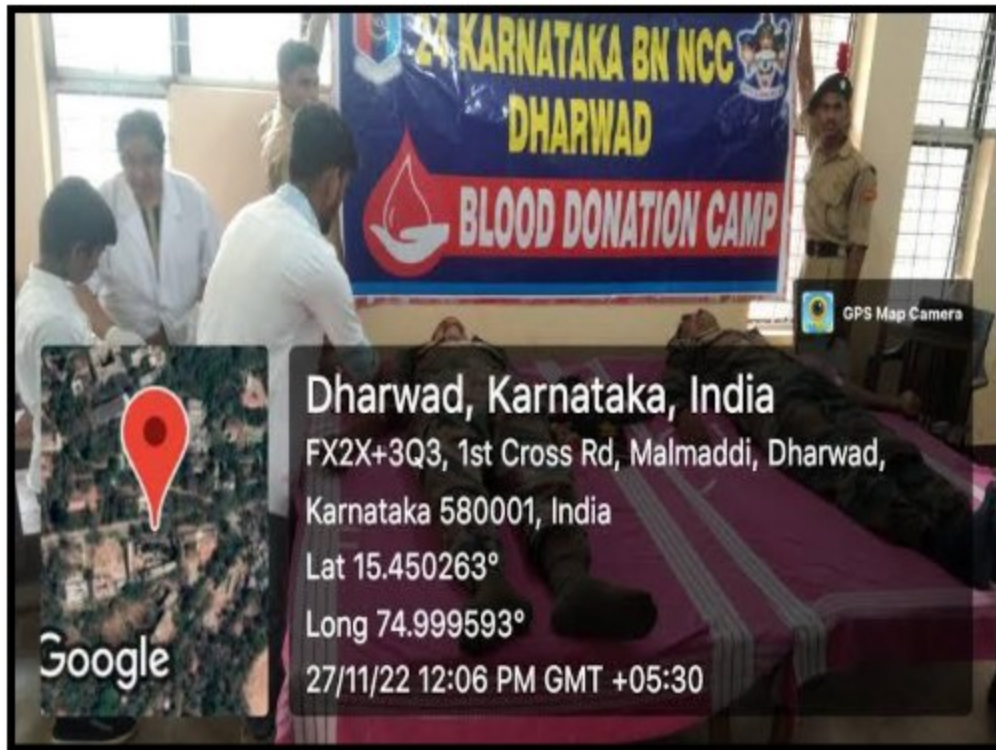

Students taking oath on not to involve in anti-national activities.

The staff members of our college have been continuously putting their efforts to bring awareness and involvement in social welfare activities among the students. As our constitution believes in providing a helping hand to the needy persons, it is important to inculcate among the students a sense of active involvement in social welfare activities. Hence, the students of our college were actively involved in a blood donation camp, which was held on 14th of June 2022. The blood donation camp was inaugurated by Shri. Ravikumar Maliger, a Syndicate member of the Karnatak University Dharwad. Rotarian Dr. Prakash S Ramangoudra, MD (in medicine) was the chief guest.
