Synopsis of the Activity (Description)

Highlights of the Activity	<p>1) <u>Content Delivery:</u> Prof. H. B. Walikar delivered a comprehensive session using ICT tools, providing students with detailed insights into the syllabus, patterns, and cut-off criteria for exams like IIT JAM, NBHM, GATE, NET/SET, and PGCET.</p> <p>2) <u>Problem-Solving:</u> He solved problems from previous years' question</p>
----------------------------	--

	<p>papers, enabling students to understand practical problem-solving approaches.</p> <p>3) <u>Interactive Guidance:</u> The Chief Guest emphasized techniques and tricks to tackle competitive exam problems efficiently.</p>
Key Takeaways	<p>1) Prof. Walikar shared a thorough understanding of the structure, syllabus, and preparation methods for competitive exams.</p> <p>2) Practical tips and tricks for solving problems effectively in competitive exams.</p> <p>3) Motivation and guidance to aim for top-tier institutions such as IITs, NITs, TIFR, IISc, IISERs, and other central institutions of national importance.</p>
Summary of the Activity	<p>Prof. H. B. Walikar initiated the session by highlighting the importance of competitive exams and their role in securing admissions to prestigious institutions. He elaborated on exams like IIT JAM, NBHM, GATE, NET/SLET, and PG CET, emphasizing their benefits and career prospects. He motivated students to leverage these opportunities to advance academically and professionally. The session included solving sample problems, making it highly interactive and beneficial for students preparing for these exams.</p>
Follow-up plan, if any	<p>Based on student feedback, the Department of Mathematics plans to organize similar programs regularly to keep students updated and motivated. The frequency of such events will be determined based on demand and relevance.</p>

Yes it's very useful to us for preparing competitive exams,thank u

Best session

I need more information about the exams...I understand but not clearly..but it was good motivation for me this awareness program

Nothing Sir .

Competitive exam was so difficult but sir was explained so easy method sir...but mathematics without hardwork not easy sir .. sir was explained very easy method in calculation sir...

Like

Came confidence to prepare for competitive exams.

It is a good program to all students it gives aware of competitive exams in mathematics and how much marks we get to select for IIT top colleges and how to solve the problems .

It's a very much ability building program,which enhance the students to move onwards competition

Yeah, I got confidence. And I expect some more workshops like this in coming days so that we get more support from faculties and from the experienced professors. And thank you sir for conducting this program.

The information about the exam was very helpful, but we want more information and full guidance

I got to know how to solve competitive questions within given time

It is really very useful and interesting session, we got more information about carrier in mathematics. Thank you so much for conducting this session sir 🙌

information about competitive examination

It is very essential and expensive program about the competitive exam for the higher studies. I am thankful to this program

No, i completely accept the words said by sir , i got confident for competitive exam

Good approach to my sir and we are grateful to have this session

It is good 🙌

We get a particular direction in which we has the bright future after completion of graduation.

It is good to be attend such programs.. I'm inspired by the chief guest

Very initiative

The program about I likes this program because this program helps what you do next after degree in the maths subject and this is help to which way do work and so many things will knows about IIT exam. this program very good .so hearty thank you sir

Great opportunity, for the preparing of

I got a great motivation from walikar sir.

Super experience

Very good in the program

I am motivated with sir's talk. And got information about competitive exams clearly. Also I am now confident of going with those. As sir suggested if it is possible to have study tour it will be more beneficial to us.

This program was very helpful for those who are interested to do MSc in top universities

Everything is good

This programme helps me to know more knowledge about competitive exams.

It's very helpful

It was very beneficial..

So beautiful and very good knowledge in the IIT JAM exams

The function was fantastic outstanding

I feel really good to took part in this program

Useful to solve the problem easily

It is very helpful for me and also my friend

It is very helpful for our future

Useful to solve the problem easily (using the tricks)

Yes,it is useful to wake up students like us who are interested in pursue career in mathematics but need some more motivation to achieve it.

It was good experience having such great lecture by Dr. Walikar sir. Tq sir
