

Report of Celebration of Science Day

The National Science Day is celebrated with interest and enthusiasm in Karnatak Science College Dharwad on 26th February 2021. The basic purpose of this day is to inspire students to new experiments, attract them to science, and make them aware of science and scientific achievements. Also spread a message about the importance of science used in the daily life of the people.

The theme of this year (2021) is **"Future of Science, Technology, and Innovation (STI): Impacts on Education, Skills and Work"**.

On this occasion of National Science Day, this year our college has privilege of having two international Scientists as Guests. The students had interacted with them and got clarifications for their queries and also experienced the proud moments of honoring the Great Scientists "Prof. T. Ramasami" and Prof. Tejraj Aminabhavi for their contribution to the field of Science, and Chemistry in particular.

The Programmed started with an invocation by students of Music College. All the dignitaries paid a floral tribute to portraits of Sir C.V Raman. Dr. S. M. Tuwar, the Chairman, Science Association has given introduction of both Scientists and presented formal speech. Principal Dr. Mrs. A. S.Bellad welcomed the gathering.

Chief Guest Prof.T.Ramasami mentioned that learning, experiencing life, technology and principles are different aspects of Science. He motivated students to develop self confidence and to strive to bring out new discoveries. He told that the Covid-19 pandemic is a challenge for science and emphasized that for better future science and technology especially medical and health science should be developed. He spoke on Science for Humanity. Earlier to this Dr. J.T Gudagur proposed the vote of thanks. The renowned polymer Scientist Prof. T.M.
