

Report on Alumni Association

The Karnatak Science College Alumni Association was started in the academic year 2007-08. Earlier to this, the Science College Alumni was a part of Karnatak College Alumni, Association which had included both alumni of Karnataka Arts College and Karnatak Science College since there is bifurcation of both colleges the authorities felt it necessary to have separate alumni association for the Science College.

The first Alumni Meet is held in the academic year 2007-08 on 25th August 2007. More than 150 alumni were gathered. In that meet it was resolved to make members by receiving Rs. 100/- as membership fees.

During 2008-09, the Alumni Meet was arranged on 11th October 2008. 94 year old senior citizen Shri S.S.Biliangadi from Hubli was present in the meet and announced to donate some amount to alumni association.

Alumni have are always visiting their Alma Mata whenever they come to Dharwad or getting in touch with the college through friends or email. Alumni like Shri Gururaj Joshi has paid visit to the college and had interaction with present students and Shri Girish S. Pujar also gave a talk on Satellite imagery and its applications. One of the studens of First batch of Science College Mr. Kamath from Panaji visited the college and remembered some of the incidents that took place during his stay in the college.

The Karnatak Science College Alumni Association got registered on **13th February 2009** with Registration No. **DRZ/SY/313/2008-09** Karnatak Science College Alumni Association Dharwad (KSCAAD)

One more alumni Dr. Savant from Mumbai wrote a letter to the college seeking help for the analysis of some Chemical wastes collected from the industries. The alumni have given suggestions for the improvement of the college some alumni have come forward to extend help to the college.
