

KARNATAK UNIVERSITY'S
KARNATAK SCIENCE COLLEGE, DHARWAD

RECOMMENDATION BY VGST FOR **RESEARCH PROJECT FUNDING** DURING 2022-23

Dr. Rajesh G. Kalkhambkar, Assistant Professor of Chemistry, Karnatak Science College, Dharwad had submitted a research proposal to VISION group of Science and Technology (VGST) under the Department of Electronics, IT, BT and S & T, Government of Karnataka, requesting funds under the Scheme, **Grants for Research Excellence (GRE)**. The VGST committee has recommended the grants under GRE for a total amount of Rupees Forty Lakhs to Dr. Rajesh Kalkhambkar, as per the release from Prof. Navakanta Bhat, Chairman of VGST, IISc, Bengaluru. The title of the project is “**Investigation of novel strategies for the selective fluorination towards the synthesis of fluorinated bioactive molecules in designer solvents (TSILs)**”. Dr. Rajesh G. Kalkhambkar, Assistant Professor of Chemistry, Karnatak Science College, Dharwad is the Principal Investigator of this project, and Dr. Blaise Lobo, Professor and Head, UG & PG Department of Physics, KSCD is the Co-investigator.
