NATIONAL SCIENCE DAY CELEBRATIONS 2023

A programme was organized by the Science Association of Karnatak Science College, Dharwad, in order to observe the National Science Day on 28-02-2023 at 12 noon in the C1 Lecture Hall, Department of Chemistry, Karnatak Science College, Dharwad.

Prof. Jagdish R Tonannavar who recently retired as Professor of Physics from Karnatak University Dharwad arrived as the Chief Guest on the occasion. He delivered a power point presentation on the topic “The Indian Spring in Science”.

Earlier, Dr. Blaise Lobo, Chairman of the Science Association of Karnatak Science College, Dharwad welcomed the gathering and introduced the Chief Guest. The power-point presentation by Prof. Tonannavar lucidly covered the developments in Indian Science from ancient times up to 1940. Later, Dr. S. C. Chougala, the Principal of Karnatak Science College, Dharwad delivered the Presidential Address. Finally, a Student from B.Sc. third Semester, Ms. Spoorthi delivered the Vote of Thanks.

Prof. Jagdish Tonannavar was felicitated on the occasion.

Faculty members and students attended the program.
